MEMORANDUM FOR: Deputy Director, Intelligence Community Staff

FROM:
Chief, Secretariat Staff

25X1

SUBJECT: Publication of the Director of Central Intelligence Directives Series

Eloise:

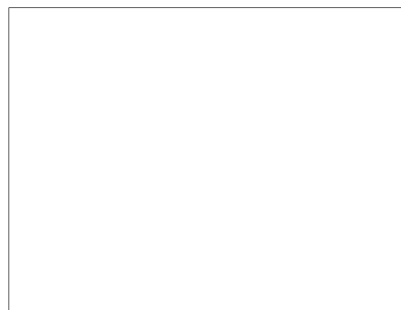

1. I understand from that you recently expressed an interest in seeing the materials to be published. Attached, please find a package of the page proofs put together by Jim.

25X1

2. The package is all but ready to go to the printers. We only have still to run down a few bits of information for the classification boxes and to acquire the Director's signature on the covering memorandum that will go in the front of the binder. That memorandum is patterned after the one signed by Allen Dulles for the first edition of the DCIDs. I understand that the memorandum is in the front office, and we would appreciate anything you might do to speed it on its way to the DCI.

3. I can not exaggerate my appreciation for the professional way in which Jim and the other members of the editorial staff have tackled this monumental task. They have stuck with it, made sure we are observing the niceties required by security and other regulations, and, within the limits imposed by a tome such as this, attempted to make the volume attractive. They deserve a vote of thanks.
